School Business Manager	Mrs Gething

This year the school's partnership with Ireby and Whitfield has had great success; Ireby are now leaving the partnership and have appointed their own substantive Head Teacher. Mr Blake is therefore returning from his post at Ireby and will work across the partnership

schools next year. We continue to work closely with Whitfield School following a highly successful first year of partnership.

Miss Moir will be leaving school at the end of year, as she is relocating to the North-East. She has become an integral part of school over the last two years and I would like to thank her for all of her hard work and wish her good luck for the future.

The Year 3 class will now be taught by Miss Jackson, who previously completed her final teacher training placement with us in 2017, and Year 4 will be taught by Mr Carter, who worked across school this year. It is always great to see new members of staff coming in to school and I look forward to the enthusiasm, energy and creativity they will both bring to school next year.

Following a great first year working with school, Mr Conkey will be returning to teach PE next year, teaching at school for the full day each Wednesday. Mrs Wadeson will also be returning and will now be delivering music lessons in school every Wednesday, Thursday and Friday. Finally, Ms Jakob-Whitworth, our artist in residence, will also be returning and will be leading our bid for the Artsmark award in addition to her teaching responsibilities.

As you will have seen, work has now commenced on the new classroom between the Reception and Year 6 classrooms. I can now confirm that Years 1&2 will be taking residence in the new rooms, with both Mrs Benn and Mrs Garson very excited to move in to the new space. Part of the extension will be used to create a dedicated space for small group work, with Mr Bone now heading up the Inclusion department.

School will reopen on Tuesday 4th September 2018.

I would like to take this opportunity to thank you for your continued support throughout this academic year, which has contributed to the ongoing success of the school.

All the staff wish everyone happy holidays and look forward to seeing you refreshed and back in school in September.

Kind Regards,

Mrs C Render
